# MaxBit Professional Interchangeable Die Crimping Tools

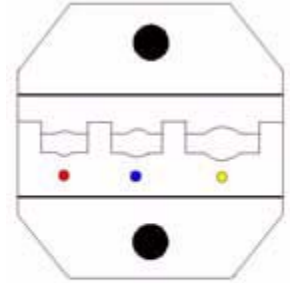

24020D

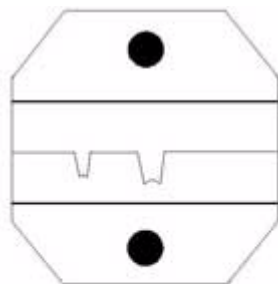

24021D

24025

24026

24038D

Dies are not drawn perfectly to size. Squares are for crimp pins; Hex dies are for coax connectors; Round dies are for fiber optic or round connectors. 24026 is for insulated terminals. Our 24038 is for Dsub and V.35 crimp pin connectors (0.76 and 1.00mm crimp pins). We also have 24038 blanks for specialty crimp pins. The tool is a RACHET style crimper with locking handles. The pressure of the crimpers can be adjusted.
